# Quintette Moderne

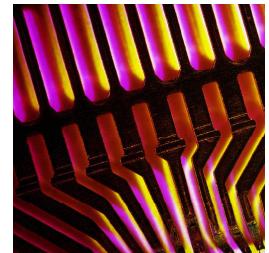

**pour Flûte, Hautbois, Clarinette, Cor et Basson**

Vivian Domenjoz (2007)

## Quintette Moderne

pour Flûte, Hautbois, Clarinette, Cor et Basson

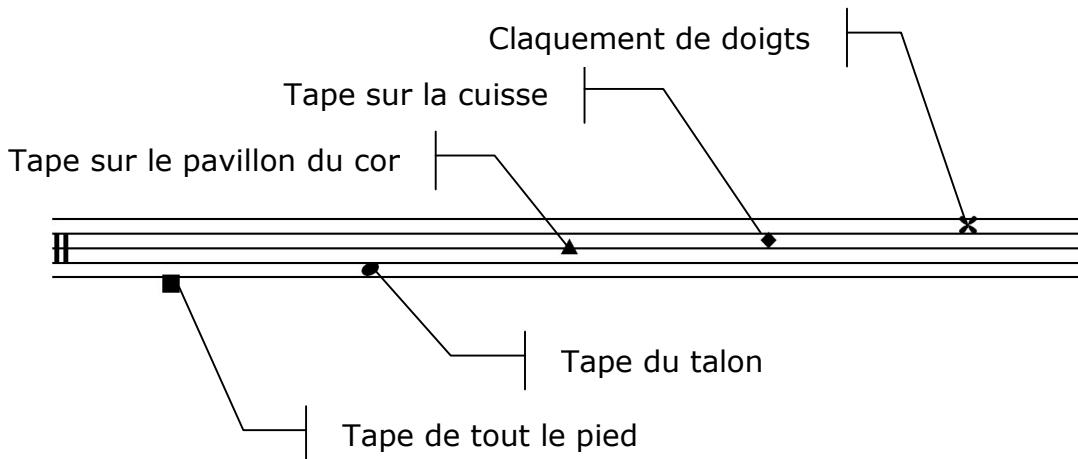

Durée : environ 10 minutes.

Remarque concernant l'exécution : Ce quintette pour vents constitue un essai de haute stylisation de la musique de danse populaire électronique du tout début du XIXème siècle. Une rythmique d'une précision absolue est nécessaire afin de faire ressortir les effets voulus par l'auteur. Idéalement, la partie de clarinette se joue sur un instrument au système Böhm, la partie de basson avec un instrument allemand. A défaut, les exécutants doivent s'orienter à la sonorités de ses instruments.

### Signification des symboles spéciaux:

#### - Percussion corporelle

#### - Altérations (huitièmes de ton)

A double-headed arrow below the table spans from the first column to the last column, indicating the range of alterations.

Les altérations sont à lire de manière classique, elles valent toujours pour une mesure entière.
